

The Wroxham School Newsletter

23 February 2009

Welcome back!

We have another busy half term ahead of us and look forward to working with your children again.

Positive Thinking Challenge

On Friday 6th March we shall be helping our children to see the benefits of positive thinking. We aim to present a series of fun challenges for our children and help them to see how team work, deep thinking and collective action can help overcome difficulties.

Some of our families have asked me to bring to your attention The Faith of Britain Day which also takes place on the 6th March. If you are interested in further information about this, leaflets are available in the school foyer.

Family Consultations

Letters will come home today inviting you to attend a meeting to discuss your child's learning. Where possible, we believe it is most effective for the child to attend and to contribute to the learning conversation. However, should you wish to meet without your child present, please let us know.

Unwanted toys

Our Kids' Club and Breakfast Club are always pleased to receive toys and games that your children no longer use. Thank you.

WSFA Forest School Grant

Our thanks to Tony Borden (dad to Stef, Maxine and Daniel) who together with the WSFA committee has secured a £5,000 grant from Hertsmere to develop our Forest School provision. The grant will help us to further develop areas of our school grounds and woodland to increase the resource for our children and the local community.

School uniform at vastly reduced prices

Items of school uniform will be on sale from the school office from this week. Please ask Margaret Roper for details.

Music lessons from Dame Alice Owen's

Our new drums should arrive this week. We have refurbished the music cupboard so that they can be stored safely. We are very grateful to Dr Alan Davison who has offered to fund free whole class music tuition for an hour each week. This time will be used for drumming sessions. More information to follow. We hope to offer a family drumming session in the near future. Watch this space!

Maths Blog

Roger Billing has provided a link from our website www.wroxham.herts.sch.uk to support mathematics from home. Please have a look and let us know what else you would find helpful. Thank you.

Dates for your diary

Thurs 26.2.09	Y2 visit Science Museum
Fri 27.2.09	Y1 RAF Hendon
Mon 2.3.09	Y5 Learning Review Day. HCC Secondary school allocation letters sent to families. Lunch time Keyboard group begins.

Wed 1.4.09	KS2 Film Night
Fri 3.4.09	End of term
Tues 21.4.09	Term begins

Alison Peacock

Headteacher

Healthy Snacks are best!

Please encourage your child to bring a piece of fruit or healthy snack to school instead of crisps, sweets or chocolate. (No nuts though please because of food allergies)
